March 2010

Dear

I am writing to you on behalf of Yolo County CASA (Court Appointed Special Advocates) to invite you to participate in the 13th Annual Cherish a Child Dinner and Auction on Saturday, May 15, 2010 at the El Macero Country Club south of Davis. Our Board of Directors is once again hosting this event that features a catered dinner, live music and live and silent auctions.

Please consider joining with the Board by either helping to sponsor the event or donating an auction item. The different levels of sponsorships are described in the attached material, as well as a response form for auction donations. Depending on the level of sponsorship, your company's name will be acknowledged at the event, listed in the evening's program, press releases, CASA website, posters and fliers posted throughout the county, identified in the news media and receive tickets/table(s) for the event.

CASA is a non-profit organization that recruits, trains and supervises community volunteers who act as mentors and advocates for abused and neglected children in our court system. Through no fault of their own these children have been removed from their homes and languish in the overburdened juvenile justice and child welfare systems. CASAs provide advocacy, stability, and attention to their assigned children by gathering information, working with the other parties on the case and making recommendations regarding their child's needs to the court.

I hope that you will give serious consideration to partnering with us to support the important work Yolo County CASA provides for our children and community.

Sincerely,

Yolo County CASA
Board of Directors
